

## How can I renew my service?

Lila TEST - 2019-10-29 - Billing

In order to renew your service, follow the steps below:

1. Log into [myTophost Panel](#).

2. On the page **My services**, select the button **Renew**, next to the service you wish to renew.

Pack Id	Package	Services	Status	Expiration date	Plesk Login		Manage
204621	<a href="#">Linux Star</a> fre...ce.gr		On	18/07/2019	<a href="#">Plesk Login</a>	<a href="#">Renew</a>	<a href="#">Manage</a>

3. Proceed to payment by choosing your preferred method of payment.

Note: if you choose to pay with a credit / debit card, **the subscription of your service will be activated** and your service will be renewed **automatically** some days before its next expiration.
